

A MILLION DREAMS

Solo 1: I close my eyes and I can see
The world that's waiting up for me
That I call my own

Solo 2: Through the dark, through the door
Through where no one's been before
But it feels like home

Everyone:

**They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy
We can live in a world that we design**

**'Cause every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take**

Solo 3: A million dreams for the world we're gonna make

Everyone:

**There's a house we can build
Every room inside is filled
With things from far away
The special things I compile
Each one there to make you smile
On a rainy day**

**They can say, they can say it all sounds crazy
They can say, they can say we've lost our minds
I don't care, I don't care if they call us crazy
Runaway to a world that we design
Every night I lie in bed
The brightest colors fill my head**

**A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make**

Solo 4: However big, however small
 Let me be part of it all
 Share your dreams with me

Everyone:

**You may be right, you may be wrong
But say that you'll bring me along
To the world you see
To the world I close my eyes to see
I close my eyes to see**

Every night I lie in bed
The brightest colors fill my head

Boys: A million dreams are keeping me a*wake

Girls (echo at *): A million dreams, a million dreams

Everyone:

**I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make
For the world we're gonna make**
